She quoted "I am so happy to win the grand prize. I have been a Magnum customer for over 10 years and since the launch of Magnum's new game I have been buying the 4D Jackpot every single draw. I have also won in the 4D Classic game so that's why I also started buying the 4D Jackpot as I believe that I can win when buying from Magnum.

Even though I didn't win the bigger amount of over RM9 million that was won by another player yesterday I still feel very happy as now I can pay off for my house, my car and keep some money aside for my child's future."

A Magnum representative said, "We are very pleasantly surprised that the Jackpot 1st prize has been won again so quickly. Just the draw before the Jackpot 1st prize of over RM9 million was won by another customer. This clearly shows that the Magnum 4D Jackpot is truly winnable and rewarding for all our customers. Since we launched the new game, the Jackpot 2nd prize has been won 3 times and now the Jackpot 1st prize has been won twice. You can't go wrong when buying from Magnum!"

The winner is 2nd winner of the Magnum 4D Jackpot 1st prize. Those thinking that a person has to spend massive amount of money to win big needs to look no further than our Jackpot 1st prize winner, which only placed a bet of RM 2 to win."
